

Even More Quality You Can Feel

Supersoft Meets Superpower

Charging has never been so stylish: The Supersoft Textile Cables from Goobay combine an incredibly soft feel with an ultra-strong silicone jacket for maximum flexibility and outstanding durability. Reinforced metal plugs enhance the sleek appearance of the cables, available with USB-C™, USB-A and Lightning connectors, and in white or black colour options – perfect for all design standards.

USB-C™ Supersoft Textile Cable

with metal plugs
