Slim High Speed HDMI™ Cable with Ethernet

4K/60Hz

0,5m
4K Ultra HD @60Hz

Streaming box

Blu-ray player

Laptop

Gaming

Projector

TV

Soundbar

Slim

ultra-short connectors

ultra-slim cable

3.8 mm

Standard

6.0 mm

Features

The cable is suitable for high-resolution image transmission with Ultra HD at up to 4K @ 60 Hz (backward compatible) and a data rate of up to 18 Gbit/s

Ideally suited for audio and video transmission between TV/monitor and projectors, game consoles (e.g. PlayStation 5, Xbox) or streaming receivers (e.g. Amazon Fire TV, Apple TV)

Ultraslim design with short plug, bend protection and small bending radius for connection in confined spaces, e.g. on the back of devices in front of walls or in furniture

With high-quality metal plugs and textile sheathing, which ensures a pleasant feel and protects sensitive surfaces

The integrated Ethernet channel (HEC) connects any HDMI™ device to devices in the wired network without a separate internet cable

The CEC function (Consumer Electronics Control) creates flexible operability via only one remote control, e.g. for switching on several paired HDMI™ devices with a single press of a button

Supports 3D and HDR for excellent, high-contrast picture quality, HDCP 2.2 encryption and sophisticated audio features such as ARC and eARC (Enhanced Audio Return Channel)

Slim Ultra High Speed HDMI™ Cable

8K/60Hz

2,0m
8K Ultra HD @60Hz

8K HDMI™ Cable

for high-resolution audio &
video transmission
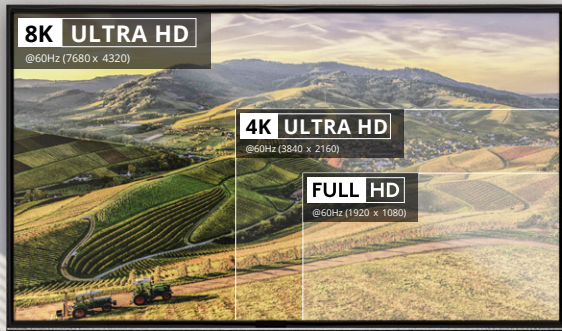

8K **ULTRA HD**
@60Hz (7680 x 4320)

4K **ULTRA HD**
@60Hz (3840 x 2160)

FULL HD
@60Hz (1920 x 1080)

Features

The cable is suitable for high-resolution image transmission with Ultra HD at up to 8K @ 60 Hz (backward compatible) and a data rate of up to 48 Gbit/s

Ideally suited for audio and video transmission between TV/monitor and projectors, game consoles (e.g. PlayStation 5, Xbox) or streaming receivers (e.g. Amazon Fire TV, Apple TV)

Ultraslim design with short plug, bend protection and small bending radius for connection in confined spaces, e.g. on the back of devices in front of walls or in furniture

With high-quality metal plugs and textile sheathing, which ensures a pleasant feel and protects sensitive surfaces

The CEC function (Consumer Electronics Control) creates flexible operability via only one remote control, e.g. for switching on several paired HDMI™ devices with a single press of a button

Supports 3D and HDR (High Dynamic Range) for excellent, high-contrast picture quality as well as the HDCP 2.2 encryption system

Supports advanced audio features such as eARC (Enhanced Audio Return Channel) and ARC (Audio Return Channel) for easy digital transmission from the TV to a soundbar or hi-fi system

DisplayPort™/HDMI™ Adapter Cable, gold-plated

DisplayPort™ male > HDMI™ female (Type A)
Features

Goobay adapter transmits HD video and audio signals from a computer to a screen

signal transmission with resolutions of up to 4K @ 60 Hz

DisplayPort™-to-HDMI™ adapter as a simple solution for adding an external monitor (Plug & Play)

Gold-plated connectors guarantee a perfect signal transmission, clear sound and razor-sharp video and picture quality

DisplayPort™ connector with mechanical connector lock for secure hold without loose contacts

Flexible PVC cable sheath

Connection cable supports DisplayPort™ 1.2 (backwards compatible with DisplayPort™)

4K @ 60 Hz

USB-C™ PD GaN Dual
Fast Charger Nano (35 W)

2x USB-C™ ports (Power Delivery)

Features

With 35 W of power, the charging adapter is specially tailored to small devices such as smartphones, Bluetooth headphones, tablets or power banks

The wall charger can be used to charge up to two devices at the same time, e.g. via USB-C™ smartphones such as the Apple iPhone and via USB-A headphones, power banks, etc.

The super-compact and lightweight design fits in any bag and makes the USB-C™ power supply the handy companion when travelling

Semiconductors with GaN technology allow for faster, more efficient charging and a lighter, more compact design compared to conventional chargers

With Power Delivery, the USB charger comes with a particularly safe and dynamic charging method that identifies the optimal output power for the connected device

Compatible with smartphone brands such as Apple iPhone, Samsung, Xiaomi, LG, Huawei, as well as tablets such as the Apple iPad or the Samsung Galaxy Tab
The integrated protection electronics of the USB-C™ charger protects connected devices against overcurrent, overcharging and overheating

CAT 7A Network Cable, S/FTP (PiMF)

(CU) AWG 23/1 (solid), (LSZH) halogen-free cable sheath

For Assembling LAN and Crossover Cables

Inner conductor
copper (CU)

1st screen
foil (aluminium, PiMF)

2nd screen
braid (aluminium)

Cable sheath
low smoke, zero halogen (LSZH)

Patch cable for RJ45 plugs

Double-shielded S/FTP (PiMF)

Transmission length up to 50 m

Max. bandwidth 1000 MHz

Features

Double shielded LAN cable for connecting network components

Unterminated patch cable with IDC connection technology for assembly and installation indoors

S/FTP overall shield: aluminium foil shield for individual wire pairs (PiMF) and aluminium braid shield for the cable sheath

High-quality copper conductor (CU) and shielding guarantee an excellent and powerful network connection.

In the event of a fire, the halogen-free jacket of the Ethernet cable prevents the outgassing of hazardous substances and minimises smoke development
CAT 7A network cable is suitable for Power over Ethernet (PoE/PoE+)

Complies with the Construction Products Regulation (CPR) and fire protection class

Availability	Cable length	Item no.	EAN	RRP	Pcs./master carton	Pcs./PU	Length	Width	Height	Weight

CEE Extension Cable, CEE Plug to CEE Coupler

camping cable for outdoor areas

Features

The essential camping accessory: CEE adapter for connecting a motorhome, caravan or trailer tent to the power grid at the campsite

Easily connected: The extension cable offers full flexibility for existing CEE camping cables that are too short for sockets that are further away

With IP44 splash water protection, it is perfectly suited for long-term outdoor use, in roofed areas, damp rooms and on construction sites

The orange signal colour of the power cable ensures increased visibility and meets the safety standards on international campsites

The integrated, self-closing cap of the CEE socket protects against dust, dirt and mechanical damage

Heavy-duty rubber sheath cable H07RN-F 3G2.5 with a cable cross-section of 2.5 mm² as required on camping sites

Oil, UV and ozone resistant

CEE Adapter Cable,
CEE Plug to 90° CEE Coupler and
Safety Coupler (Type E/F)

camping cable for outdoor areas

Features

The essential camping accessory: CEE adapter with combination socket for connecting a motorhome, caravan or trailer tent to the power grid at the campsite

The angled coupler easily connects an additional device with safety plug to the motorhome – and saves space due to the angled design

With IP44 splash water protection, it is perfectly suited for long-term outdoor use, in roofed areas, damp rooms and on construction sites

The orange signal colour of the power cable ensures increased visibility and meets the safety standards on international campsites

The integrated, self-closing caps of the CEE socket and the safety socket protect against dust, dirt and mechanical damage

SKROSS®
ADAPT TO THE WORLD

Travel Adapter Europe to Switzerland, Italy and Brazil

for all earthed and unearthed devices (2- and 3-pole)

Features

Travel adapter for connecting electrical devices with safety plugs (type F) to sockets in Switzerland, Italy, Brazil and 12 other countries

Full flexibility: Ideal for powerful devices such as laptops or travel hairdryers, but also for adapters for smartphones, tablets, power banks, cameras, smartwatches or e-readers

Max. load: 10 A, input voltage: 100 – 250 V (AC), output depending on input voltage: 1000 – 2500 W

The European plug adapter has a replaceable fuse (type T 10 A)

The travel plug does not convert the voltage from the local power grid and may only be connected to devices with a suitable input voltage
